Carnival Splendor

The Carnival Splendor will begin sailing in July, 2008. The central design idea of "splendid things" begins in the Atrium with rich, elegant materials mixed with stainless steel and stylized wood laminates for a striking overall effect. This celebration of all that is magnificent, lustrous and elegant continues throughout all of the ship's public spaces.

Ship Features:

Encompassing 113,300 tons, and featuring a guest capacity of 3,006, the Carnival Splendor will introduce a host of new features, including: staterooms with flat screen TV's, a spectacular 21,000 sq foot, two level spa and gym facility, 5,500 sq foot children's playroom and a mid-ship pool covered with a two-deck-high sliding Sky Dome.

Splendid Spaces:

Central Lido Pool Deck: A large open glass walled, two deck high area that includes Carnival's Seaside Theater, two bars, pool side eatery, Pinnacle Supper Club and more.

Outdoor Aft Deck: The outdoor aft deck will pay homage to the great liners of the past and house Indian Tandoori and New York Deli serving stations.

Royal Flush Casino: Royal flush hands line the walls, with the characters on the cards emerging from the wall like a sculpture. The ceiling is decorated with card images that change into different hands.

Red Carpet Dance Club: Every guest is a celebrity as they walk the VIP line past a host of mannequins waiting on the other side of the velvet rope to enter.

El Morocco Bar: Styled after the famous 1930's New York club of the same name, banquettes are covered in zebra-patterned leather, with palm trees and lanterns adorn the walls, which feature murals of Moroccan scenes.
